Subject: MRL Updated Industrial User Permit (002-A, Amended) for Helena

Mr. Shelley,

Attached you will find a copy of the above-referenced permit. A hard copy will be mailed to the MRL office in Helena. Please feel free to contact me if you have any questions, and please let me know the next time you are in Helena so that we may have a brief meeting to discuss changes to the permit, and the upcoming compliance report that needs to be submitted prior to July 28th. Thanks
